* Indicates additional feature on the Skyline AE

Superior Needle Threader V2

With just one finger, press down on the needle threader knob until it reaches the stop point. Then, gently lift the knob back up, and the thread will be smoothly guided through the eye of the needle.

Extra Wide Extension Table

Enhance your creative space! The machine comes with an extra-wide extension table, offering a larger work surface and giving you ample room to handle bigger projects with ease.

Redesigned 7-piece Feed Dog

The new 7-piece feed dog design features sharper feed teeth, which are spaced tighter and higher together making them more precise for improved stitch quality. This new design works particularly well with difficult fabrics or multiple layers of fabric.

Built for excellence
